

# Drunk Texting (ft. JheneË• Aiko)

Chris Brown

Said I'm all up in my feelings  
Doubled up on this shot  
Got me feeling some type of way told you I hate you I don't mean it  
And the only thing that I got  
Is the pain that you've been feeding  
Faded, faded, faded, all because of you  
Now my current situation  
Trying not to think of you, not to break the rules  
Why's it always happen, when I get this way?  
Just can't stop myself, so baby tonight I'm blowing up your line  
I got you on my mind  
And the truth is hard to find, so I'll be  
I'll be drunk texting, drunk texting, drunk texting you  
Drunk texting, drunk texting you  
Yeah baby I'll be drunk texting, drunk texting, drunk texting you  
Drunk texting, drunk texting you Drunk texting you  
(Drunk texting you)  
Drunk texting you  
(Drunk texting you) I'm looking at my phone thinking  
Am I gonna hit send or nah?  
It's gonna be one of them mornings when I wake up and regret it  
The phone get no reply  
I don't wanna make it obvious that I'm faded, faded, faded  
Off a drink or two  
And you know how it goes, this ain't nothing new  
Why's it always happen, when I get this way?  
No I just can't stop myself  
So baby tonight I'm blowing up your line (oh yeah)  
I got you on my mind  
And the truth is hard to find, so I'll be (I'll be)  
I'll be drunk texting, drunk texting, drunk texting you  
Drunk texting, drunk texting you  
Yeah baby I'll be drunk texting, drunk texting, drunk texting you (girl I'm drunk texting)  
Drunk texting, drunk texting you Intoxicated (Intoxicated)  
That's when I think of you the most  
But after the tides, anything goes  
When I put my pride aside  
(I'll be doing the most)  
Doing the most I done spent 1, 2, 3 AM, thinkin' about you

Don't wanna be without you  
'Cause I'm on the liquid courage  
I hope this shit is worth it  
'Cause if it ain't then it's all bad, all bad  
So baby tonight I'm blowing up your line  
I got you on my mind  
And the truth is hard to find, so I'll be (I'll be)  
I'll be drunk texting, drunk texting, drunk texting you  
Drunk texting, drunk texting you  
Yeah baby I'll be drunk texting, drunk texting, drunk texting you ('cause I'm fucked up right now)  
Drunk texting, drunk texting you If by chance you're laying next to someone else right now (girl I)  
I, I, hope it's the worst sex ever (yeah yeah)  
Hope it's the worst sex ever
