

Rest My Head on You

[Archive](#)

Was such a lovely day
It was so easy
And all that I wanted to do
Was to rest my head on you
On you, on you, on you
To rest my head on you All I wanted to do
Was rest my head on you
(All I want)
All I want to do
Is rest my head on you All I wanna do
All I, all, all I, all, all I, all, all I
All, all I, all, all I, all I
All I wanna do
Is rest my head on you
