Placebo

Friends say it's fine, friends say it's good
Everybody says it's just like Robin HoodI move like a rat, talk like a cat, sting like a bee
Babe I'm gonna be your manAnd it's plain to see you were meant for me, yeah
I'm your toy
Your twentieth century boyFriends says it's fine, friends says it's good
Everybody says it's just like Robin HoodFly like a plane, drive like a car, hold out your hand
Babe I'm gonna be your manAnd it's plain to see you were meant for me, yeah
I'm your boy
Your twentieth century toyTwentieth century boy
I want to be your toy
Twentieth century boy
I want to be your toyTwentieth century boy
I want to be your toy
Twentieth century boy
I want to be your toyFriends say it's fine, friends say it's good
Everybody says it's just like rock 'n' rollI move like a cat, talk like a rat, sting like a bee
Babe I'm gonna be your manAnd it's plain to see you were meant for me, yeah
I'm your toy
Your twentieth century boyTwentieth century boy
I want to be your toy
Twentieth century boy
I want to be your toyTwentieth century boy
I want to be your toy
Twentieth century boy
I want to be your toy
