

Crucify

Cosmicity

Every finger in the room was pointing at me, I wanna spit
In their faces then I get afraid of what that could bring
I got a bowling ball in my stomach, I got a desert in my mouth
Figures that my courage would choose to sell out now I've been looking for a savior in these dirty streets
Looking for a savior beneath these dirty sheets
I've been raising up my hands drive another nail in
Just what God needs one more victim Why do we crucify ourselves?
Everyday I crucify myself
And nothing I do is good enough for you
I crucify myself Everyday I crucify myself
And my heart is sick of being
I said, "My heart is sick of being in
Chains, chains" Got a kick for a dog begging for love
I gotta I have my suffering so that I can have my cross
I know a cat named Easter, he says, "Will you ever learn
You're just an empty cage girl if you kill the bird" I've been looking for a savior in these dirty streets
Looking for a savior beneath these dirty sheets
I've been raising up my hands, drive another nail in
Got enough guilt to start my own religion Why do we crucify ourselves?
Every day I crucify myself
And nothing I do is good enough for you
Crucify myself Every day I crucify myself
And my heart is sick of being
I said, "My heart is sick of being in
Chains, chains" Please save me, I cry Looking for a savior in these dirty streets
Looking for a savior beneath these dirty sheets
I've been raising up my hands, drive another nail in
Where're those Angels when you need them? Why do we crucify ourselves?
Every day I crucify myself
And nothing I do is good enough for you
Crucify myself Every day I crucify myself
And my heart is sick of being
I said, "My heart is sick of being in
Chains, chains" Why do we crucify ourselves?
Why do we crucify ourselves? Every day
