

Never Turn Your Back on Mother Earth

[Neko Case](#)

When she's on her best behavior
Don't be tempted by her favors Never turn your back on Mother Earth
Towns are hurled from A to B
By arms that looked so smooth to me Never turn your back on Mother Earth
Never turn your back on Mother Earth
Three days and two nights away from my friends
Amen to anything that brings a quick return
To my friends, to my friends Never turn your back on Mother Earth
Well, I'll admit I was unfaithful
But from now on I'll be more faithful Never turn your back on Mother
Never turn your back on Mother
Never turn your back on Mother Earth
