

# Crucifiction

## LoverMan

All you pricks who hide behind the cross  
Accounting Heaven's gain by human loss  
Hypocrite, hypocrite, crucifiction  
God will love them better when they're dead  
You murdered women screaming at the stakes  
Built concentration camps and tortured slaves  
Hypocrite, hypocrite, crucifiction  
Hypocrite, hypocrite, crucifiction  
Pervert the truth that Jesus said  
Go out and paint the town with Heathen red  
You praise the lord and pass the ammunition  
What makes you think that God will love them better when they're dead?  
Onward Christian soldiers  
Marching out to war  
Pervert the truth that Jesus said  
Go out and paint the town with Heathen red  
You praise the lord and pass the ammunition  
What makes you think that God will love them better when they're dead?  
Onward Christian soldiers  
Marching out to war  
Jesus weeps and watches all you do  
I know if there's a hell, it's meant for you  
You hypocrite, hypocrite killer  
Hypocrite, hypocrite killer Christian  
Hypocrite, hypocrite Christian  
Hypocrite, hypocrite, crucifiction
