

## Save It For The Bedroom

## You Me At Six

Keep your hands to yourself, these lips belong to someone else  
And you know that you will never get on it  
Keep your lies to yourself, every lie you heard from someone else  
And you know that you will never get with it  
Well, I sussed you good, you knew I would  
Oh haven't you heard you're just a mark on my shirt?  
Another night and another girl  
Well, I taste so good, you knew I would  
So who's keeping score on who is a whore?  
With you by my side, that look in your eye  
I hope you don't  
Go home and wash your jeans 'cause there's dirt on the knees  
Your jealousy doesn't sit with me  
You love, I love you too, below the waist I'll start charging you  
'Cause that's just how the players play the game  
My winning streak is missing  
So who's keeping score on who is a whore?  
With you by my side, that look in your eye  
I hope you don't  
So who's keeping score on who is a whore?  
With you by my side, that look in your eye  
I hope you don't  
And you whore

[illegible]

Save it for, save it for the bedroom  
Save it for, save it for the bedroom  
Save it for, save it for the bedroom  
Save it for, save it for the bedroom  
We'll save it for the, save it for the bedroom  
Oh, I'll save it for the, save it for the backdoor
