

# Never Ending Song Of Love

[Loretta Lynn](#)

I've got a never ending love for you from now on that's all I wanna do  
From the first time we met I knew I'd have a never ending love for you  
After all this time of being alone  
We can love one another feel for each other from now on  
Feel so good I can hardly stand it  
Never ending love for you from now on that's all I wanna do  
From the first time we met I knew I'd sing my never ending song of love for you  
[ steel - guitar ]  
After all this time of being alone...  
I'd sing my never ending song of love for you
