Happy for You

Lloyd Cole

Lay your head upon my shoulder
Let it rest there for a while
I guess that I'm still good for something
Once in a whileAnd if you need someone to talk to
Just give a call, I'll be around
And if you want me to avoid you
Just say the wordIf you love him you should leave me
That's the best thing to do
And if you need him you don't need me
Like you used to
And if you believe that you'll be happy
Then I'm happy for youYes and it's just kind of funny
Ain't it me who never cried?
I guess that I'll still kind of love you
For a little whileAnd if you love him you should leave me
That's the best thing to do
And if you need him you don't need me
Like you used to
And if you believe that you'll be happy
Then I'm happy for youSilly thing
Don't you apologize
No, no
No, no, you
You don't owe meNo, no, you
You don't owe me
No, no, no, no, no, you
You don't owe meIf you love him you should leave me
That's the best thing to do
And if you need him you don't need me
Like you used to
And if you believe that you'll be happy
Then I'm happy for youIf you love him you should leave me
That's the best thing to do
And if you need him you don't need me
Like you used to
And if you believe that you'll be happy
Then I'm happy for youYes, I'm happy for you
Yeah yeah
I'm happy for you

Yes I'm
I'm happy for you
Yeah yeah
I'm happy for you
