

# Adore

## Savages

If only I didn't want the world  
I wouldn't make you feel so sad  
I'm sure my shame would be gone  
Is it human to adore life? If only I'd hidden my lust  
And starved a little bit more  
If only I didn't ask for more  
Is it human to adore life? I adore life If only I'd lived beyond regret  
I wouldn't feel guilt for what I take  
Is it human to ask for more?  
Is it human to adore life? I know evil when I see it  
I know good and I just do it  
If I hadn't been so starved  
Is it human to adore life? I understand the urgency of life  
In the distance there is truth which cuts like a knife  
Maybe I will die maybe tomorrow so I need to say I adore life If only I had been more shy  
And hid every tear I cried  
If only I didn't wish to die  
Is it human to adore life? If only I didn't care so much  
For the feel of your cold, cold touch  
In every bed I leave behind  
Is it human to adore life? I understand the urgency of life  
In the distance there is truth which cuts like a knife  
Maybe I will die maybe tomorrow so I need to say I adore life I adore life  
Do you adore life?
