## Found a Way

## **Drake Bell**

I never thought that it'd be so simple but
I found a way, I found a way
I always thought that it'd be too crazy but
I found a way, I found a wayIf you open up your mind
See what's inside

It's gonna take some time, to realize
But if you look inside, I'm sure you'll find
Over your shoulder you know that, I told you
I'll always be pickin' you up when you're down
So just turn aroundNow that I know that anything's possible
I found a way, I found a way

No one can break what is so unbreakable
I found a way, I found a wayIf you open up your mind
See what's inside

It's gonna take some time, to realize
But if you look inside, I'm sure you'll find
Over your shoulder you know that I told you
I'll always be pickin' you up when you're down
So just turn aroundNo one cares

What you give You know you gotta live like you wanna live When it's time

To be free

You know you gotta be what you wanna beIf you open up your mind See what's inside

It's gonna take some time, to realize
But if you look inside, I'm sure you'll find
Over your shoulder you know that I told you
I'll always be pickin' you up when you're down
So just turn around

It's gonna take some time, to realize
But if you look inside, I'm sure you'll find
Over your shoulder you know that I told you
I'll always be pickin' you up when you're down
So just turn around
