

Heartbreak (Make Me A Dancer)

Freemasons feat. Sophie Ellis-Bextor

Heartbreak... Heartbreak...
Heartbreak...
Uh!, Oh!, Uh!, Oh!, ...
I've tried to hold myself together
Tried to forget you've gone away
The tears I've cried, they won't subside
Unless the music starts to play
Keep it coming on and on and on
Heartbreak makes me a dancer, dancer
DJ give me the answer, answer
Love, stop getting me down, down, down
Do it alone, I could do it alone
Heartbreak make me a dancer, dancer
Keep my heart beating faster, faster
Love, stop bringing me down, down, down
Do it alone, I could do it alone
I need to feel I'm getting stronger
Long as I'm moving it feels true
And with each step, I will forget

Forget all those memories of you
Keep it coming on and on and on
Heartbreak makes me a dancer, dancer
DJ give me the answer, answer
Love, stop getting me down, down, down
Do it alone, I could do it alone
Heartbreak make me a dancer, dancer
Keep my heart beating faster, faster
Love, stop bringing me down, down, down
Do it alone, I could do it alone
Heartbreak... Heartbreak...
Heartbreak... Heartbreak...
Heartbreak makes me a dancer, dancer
DJ give me the answer, answer
Love, stop getting me down, down, down
Do it alone, I could do it alone
Heartbreak make me a dancer, dancer
Keep my heart beating faster, faster
Love, stop bringing me down, down, down

Do it alone, I could do it alone
