

Girl of 1,000 Dreams

The Pains of Being Pure at Heart

Held my breath, thought of death
And things I'd like to do 'til then
See my friends, lose my head
Wake up with you in my bed When every feeling feels the same
And every creeper knows your name
He makes a pass on a passing train no shame I know everything is so-so
I know you could just fly solo
But come on, we are going to go go
Around the world, 'cause you're the girl of 1,000 dreams Sadness hurts, but that's ok
Get back up and cry again
Fall asleep in outer space,
But wake up at your parents' place
