

Every Little Thing She Does Is Magic

Sting

Oh I've tried before to tell her
All the feelings I have for her in my heart
Every time that I come near her
I just lose my nerve as I've done from the start
Every little thing she does is magic
Everything she do just turn me on
Even though my life before was tragic
Now I know my love for her goes on
I've had to tell the story
Of a thousand rainy days since we first met
It's a big enough umbrella
But it's always me that ends up getting wet
Every little thing she does is magic
Everything she do just turn me on
Even though my life before was tragic
Now I know my love for her goes on
I resolve to call her up a thousand times a day
And ask her if she'll marry me in some old fashioned way
But my silent fears have gripped me
Long before I reach the phone
And before my tongue has tricked me
Must I always be alone
Every little thing she does is magic
Everything she do just turn me on
Even though my life before was tragic
Now I know my love for her goes on
Every little thing she does is magic
Everything she do just turn me on
Even though my life before was tragic
Now I know my love for her goes on
On and on and on and
Every, every little thing, every, every little thing
Every little, every little, every little
Every little thing she does, every little thing she does
Every little thing she does, every little thing she does
Thing she does is magic
Every little thing, every little thing
Every little thing she do is magic, magic, magic
Magic, magic, magic
