Koh Tao

Alex Nevsky

We're not dry, my darling
We can grow again
If we try, if we try 'till the end
It's not dry, my darling
We can grow again
If we cry
All these lies 'till the endWe found the night in the morning
We found hopes in the sand
We found the sky on the red ocean
So let's find love again
So let's find love againWe're not dry, my darling
We can grow again
If we try, if we try 'till the end
It's not dry, my darling
We can grow again
If we cry
All these lies 'till the end
