Jump Back (Alternate Version)

Rufus Thomas

Last night, night befo (jump back baby jump back)
Twenty four robbers at my door. (jump back baby jump back)I got up and let 'em in (jump back baby jump back)
Hit 'em in da head with a rolling pin. (jump back baby jump back)When I got 'em in a billy goat town (jump back baby jump back)
Billy goat kicked his pappy down (jump back baby jump back)
(Oh jump back baby jump back)
(Oh jump back baby jump back)
(Oh jump, jump)Now I lay me down to sleep (jump back baby jump back)
givin the beddbugs a chance to creep (jump back baby jump back)
If one should bite before I wake (jump back baby jump back)
Hope the world his jaw will break (jump back baby jump back)
(Oh jump back baby jump back)
(Oh jump back baby jump back)
(Oh jump, jump)
