

# Won't Leave (feat. Mumzy Stranger)

Char Avell

They say I'm a bad boy  
But I been good to you,  
Guaranteed by the end of the night  
You'll be leaving with me Ohhh,  
You've got me thinking now  
What I want to do to you baby,  
Come here just take my hand  
Let's roll out of here,

(Chorus)  
I won't leave without you girl,  
I won't leave without you baby,  
Cuz I won't leave without you (X4)  
So come on over here we're  
Gona party now (X2)

Look how you're looking at me  
In your life need a man like me,  
Someone to hold you down  
Like no other man can,  
So let's stop playing around  
Time is running out oh hoo baby,  
So leave you're guilt tonight  
And come follow me,

(chorus)

Baby I know that you want me  
I can see it in your eyes,  
Don't deny it anymore,  
Quit playing games with me,  
Tell your friends you're gone,  
I know you want me,  
How do you want it,

Cuz I won't leave without ya (X4)  
Cuz I won't leave leave (X4)
