

How You Just Gonna

Marques Houston

How you just gonna
How you just gonna I'm not trying to get so emotional
But your body moves so incredible
Is it possible that we might travel on this road
I might be the one that you've been looking for I'm in lust with you
Let me touch you
Is it cool
Girl I fucks with you
Cause you does it [Chorus]
How you just gonna
Do it like that, drop it like that, work it like that
How you just gonna
Do it like that, drop it like that, work it like that
Just a little bit (you shake it)
Just a little bit (can't take it)
The way you've freaking it so damn wrong baby
How you just gonna Girl its getting hard
Its so beautiful
I got plans for you; its so sexual
Its unstoppable
You ain't got to wait no more
Cause baby I got what your waiting for I'm in lust with you
Let me touch you
Is it cool
Girl I fucks with you
Cause you does it [Chorus] How you gonna work that thing like that
How you gonna drop that thing like that
Girl
Baby I like that
Just like that
Just like that
How you gonna work that thing like that
How you gonna drop that thing like that
Girl
How you gonna keep it out like that
Just like that
Just like that
We trying to set if off for you just like that
Is you like that cause I want it like that

Damn your Mama gave it to you just like that
Just like that
Just like that
Seen about a million but she's a winner
I'm trying to get her home I plan to eat her for dinner
Another kamikaze I'm opening up in her[Chorus]
