

# Rock Hard Ride Free(Rob Hallford I.E.Monitor Mix)

## Judas Priest

Get a grip on the action  
Movin' heaven and earth  
Gotta get a reaction  
Push for all that you're worth No denyin we're goin' against the grain  
So defiant they'll never put us down Rock hard ride free  
All day, all night  
Rock hard ride free  
All your life Tough as steel  
Stop at nothin'  
Look at fate in the face  
Don't take no for an answer  
Grab the lead in the race
