

Rock Hard Ride Free(Rob Hallford I.E.Monitor Mix)

Judas Priest

Get a grip on the action
Movin' heaven and earth
Gotta get a reaction
Push for all that you're worth No denyin we're goin' against the grain
So defiant they'll never put us down Rock hard ride free
All day, all night
Rock hard ride free
All your life Tough as steel
Stop at nothin'
Look at fate in the face
Don't take no for an answer
Grab the lead in the race
