

Brave

Maccabeats

You can be amazing
You can turn a phrasing into a weapon or a drug
You can be the outcast or be the backlash of somebody's lack of love
Or you can start speaking love
Nothings gonna hurt you the way that words and they settle neath your skin
Gets on the inside no sunlight
Sometimes the shadow ends
But i wonder what would happen if
You say what you want to say
And let the words fall out
Honestly
I want to see you be brave
With what you want to say
And let the words fall out
Honestly
I want to see you be brave
I just want to see you
I just want to see you
I just want to see you
I want to see you be brave
I just want to see you
I just want to see you
I just want to see you
I want to see you be braveEverybody's been there
Everybody's been stared down by the enemy
Going for the fear and nothing disappearin'
Bow down to the mighty
Don't run
Stop holding your tongueMaybe there's a way out of the cage where you live
Maybe one of these days you can let the light in
Show me
How big your brave isSay what you want to say
And let the words fall out
Honestly
I want to see you be brave
With what you want to say
And let the words fall out
Honestly
I want to see you be braveAnd since your history of silence won't do you any good

Didn't think it would
Let your words be anything but empty
Why don't you tell them the truth
Say what you want to say
And let the words fall out
Honestly
I want to see you be brave
With what you want to say
And let the words fall out
Honestly
I want to see you be brave
I just want to see you
I just want to see you
I want to see you be brave
I just want to see you
I just want to see you
I just want to see you
See you be brave
I just want to see you
I just want to see you
