Live With Jesus

[The Oak Ridge Boys](#)

Seen a lot of trouble at my door
I've never known a day when I ain't been poor
But I'm gonna live with Jesus in the endHard times is all I see
I've lost the ones that are dear to me
But I'm gonna live with Jesus in the endI'm gonna live, I'm gonna live
I'm gonna live with Jesus in the endThese poor bones are tired and old
Meeting my Savior, redeem my soul
'Cause I'm gonna live with JesusI'm gonna live with Jesus
I'm gonna live with Jesus in the end
