Somewhere in the Jungle

Alice Cooper

There it stands way up high
A million bodies piled to the sky
Arms and legs, feet and hands
Impossible to understandCountless heads, ears and eyes
Never hear, never cry
Tribal chants, tribal war
Tribal death, tribal goreAnd the scavengers are feeding
'Cause the killing fields are bleeding (somewhere)
Not a single soul is breathing
'Cause the Serengetti's bleedin' (somewhere)
And the scavengers are feeding
'Cause the killing fields are bleeding
(The rivers will flow with blood)
Not a single soul is breathing
'Cause the Serengetti's bleedin'
Listen somewhere in the jungle
You can hear the devil laughing
SomewhereAfrican genocide
Brother kill brother, side by side
Wild animals show their teeth
And run away in disbeliefAnd the scavengers are feeding
'Cause the killing fields are bleeding (somewhere)
Not a single soul is breathing
'Cause the Serengetti's bleedin' (somewhere)
And the scavengers are feeding
'Cause the killing fields are bleeding
(The rivers will flow with blood)
Not a single soul is breathing
'Cause the Serengetti's bleedin'
(The mothers gonna cry)
Listen somewhere in the jungle
You can hear the devil laughing
Somewhere(Somewhere)
Not a single soul is breathing
(The rivers will flow with blood)
'Cause the Serengetti's bleedin'
And the scavengers are feeding
(The mothers will cry their tears)
'Cause the killing fields are bleeding

Not a single soul is breathing
(They watch their sons die)
'Cause the Serengetti's bleedin'
Listen somewhere in the jungle
You can hear the devil laughing
Somewhere(Somewhere)
Not a single soul is breathing
(The rivers will flow with blood)
'Cause the Serengetti's bleedin'
And the scavengers are feeding
(The mothers will cry their tears)
'Cause the killing fields are bleeding
Not a single soul is breathing
(They watch their sons die)
'Cause the Serengetti's bleedin'
Listen somewhere in the jungle
You can hear the devil laughing
Somewhere
