Us

MOVEMENT

Did you believe in us?
Did you believe you believe in trust?
Cause Iâ€™ve been thinking it over
And youâ€™re aware that I want you.

When weâ€™re alone in the dark
And I could take you right now
Youâ€™re the way that I want you
Moving for me

You say
Believe in
Trust in
Us

You say
Believe in
Remember
Us

Did I push it too much?
Does it feel like weâ€™re rushing?
Cause weâ€™ve been getting closer
And Iâ€™m aware that you want me.

Donâ€™t want to give this up
You know that this could be something
We could dance in the echoes
It echoes.
