

Train From Kansas City

Neko Case

Baby, baby, please believe me
I would never never do anything to hurt you
Baby, baby, please believe me
I would never never do anything to you to make you blue
But yesterday I got this letter
From the boy I loved before I ever knew you
Before I even knew you

And the train from Kansas city is coming into town.
The train from Kansas city is a-coming
And there's nothing I can do can make it turn around.

Baby, baby, please believe me
Nothing in this world would tear us apart
We'll never, never part
So wait right here and I will hurry
I'll be back in the time it takes to break a heart
I gotta break his heart

'Cause the train from Kansas city is coming into town
The train from Kansas city is a-coming
And there's nothing I can do can make it turn around

No, I never answered his letter
I just couldn't tell him that way
No, I never answered his letter
I just didn't know what to say
Now I'm going down to the station
I'll be there at ten after two
I'll show him the ring on my finger
I don't what else I can do

The train from Kansas city is coming into town
The train from Kansas city is a-coming
And there's nothing I can do can make it turn around

Here comes the train
