

Love Me Again

Anika Moa

I love you
In the morning
I need to tell you
Right now
If I'm walking forward with you
You need to realise
That you need me
Please be sure All I see is glitter and gold
I feel alive, my heart is outta control
Oh, I really need to be with you
Baby, won't you see me anymore
And I will do it, do it, do it till you love me again
Baby, all I want is you tonight
And we can do it, do it, do it till you love me again I need you
In the morning
If there's a light on
Hold me close
And I need to kiss you
Feel your body
Rest your head
On my heart All I see is glitter and gold
I feel alive, my heart is outta control
Oh, I really need to be with you
Baby, won't you see me anymore
And I will do it, do it, do it till you love me again
Baby, all I want is you tonight
And we can do it, do it, do it till you love me again
