

# I'll Shoot the Moon (Paris - 07/24/08)

Tom Waits

I'll shoot the moon  
Right out of the sky  
For you baby  
I'll be the pennies  
On your eyes  
For you baby I want to take you  
Out to the fair  
Here's a red rose  
Ribbon for your hair I'll shoot the moon  
Right out of the sky  
For you baby  
I'll shoot the moon  
For you A vulture circles  
Over your head  
For you baby  
I'll be the flowers  
After you're dead  
For you baby I want to build  
A nest in your hair  
I want to kiss you  
And never be there I'll shoot the moon  
Right out of the sky  
For you baby  
I'll shoot the moon  
For you
