Think

Colin James

If I give up my friends I know
And in return you
You give up yoursBefore we think what would we do later on
Well, what kind of life would we have
Just in case we both were wrong?I could give up my women
You could give up your man
But it don't make sense to
To take the chance
Before we think what would we do later on
What kind of life would we have
Just in case we both were wrong?
Yeah, yeah, yeah'Cause her love is a gamble
And we know that's true
But why gamble on me
And why should I on you?
Before we think what will we do later on
Well, what kind of life would we have
Just in case we both were wrong?Yeah, what would you think, baby?
Yeah, yeah, yeah
