

# Fire And Rain

## Glee Cast

[Chord Overstreet (Sam) & Kevin McHale (Artie):]Just yesterday morning they let me know you were gone

Suzanne, the plans we made put an end to you

I walked out this morning and I wrote down this song

I just can't remember who to send it toI've seen fire and I've seen rain

I've seen sunny days that I thought would never end

I've seen lonely times when I could not find a friend

But I always thought that I'd see you againWon't you look down upon me Jesus

You got to help me make a stand

You just got to see me through another day

My body's achin' and my time is at hand

And I won't make it any other wayOh I've seen fire and I've seen rain

I've seen sunny days that I thought would never end

I've seen lonely times when I could not find a friend

But I always thought that I'd see you againBeen walkin' my mind to an easy time

My back turned towards the sun

Lord knows when the cold wind blows

It'll turn your head around

Well, there's hours of time on the telephone line

To talk about things to come

Sweet dreams and flying machines in pieces on the groundOh, I've seen fire and I've seen rain

I've seen sunny days that I thought would never end

I've seen lonely times when I could not find a friend

But I always thought that I'd see you, baby, one more time again now

Thought I'd see you one more time again

There's just a few things comin' my way this time around now

Thought I'd see you, thought I'd see you

Fire and rain
