

# Somebody Somewhere

Faye Adams

Yeah, yeah, yeah, yeah  
You've got something to hide  
The party is humming  
Something, there's something inside  
Makes you act like you're slumming  
All right I might give you a try  
But I know that I'll live to regret it  
Go on spin me a line, I have cause to expect it  
Lead me then lead me astray  
Romeos tend to have eyes that stray  
What will you say? What will you say?  
What will you say when I ask you to stay?  
Somebody somewhere  
There's more to you than meets the eye  
Somebody somewhere  
Somebody somewhere you left behind  
Sweet child learn to relax  
It's already decided  
Sit back don't tamper with fate  
Our stars have collided  
Would you dance with me baby  
The party is swinging  
Don't just whistle the tune  
When you should be singing  
Easy Mamasita, lay down next to me  
Inside there somewhere your spirit is free  
Frigid little Bridget, lay down next to me  
You're shaking, you're waking, your spirit is free  
Somebody somewhere  
There's more to you than meets the eye  
Somebody somewhere  
Somebody somewhere you left behind  
Somebody somewhere  
There's more to you than meets the eye  
Somebody somewhere  
Somebody somewhere you left behind  
Your spirit is free  
Your spirit is free, baby  
Listen to me

Your spirit is free baby  
Yes my spirit is free  
It just won't let me be  
I'm empty, I'm hungry  
My spirit is free  
Ready me, ready me  
Ready me to receive  
I believe, I believe  
Yes my spirit is free  
It just won't let me be  
I'm empty, I'm hungry  
My spirit is free  
Ready me  
Ready me to receive  
I believe, I believe, I believe  
Your spirit is free  
Your spirit is free, baby  
Somebody somewhere  
There's more to you than meets the eye  
Somebody somewhere  
There's more to you than meets the eye  
Somebody somewhere  
There's more to you than meets the eye  
Somebody somewhere  
There's more to you than meets the eye  
Somebody somewhere  
Somebody somewhere  
Somebody somewhere  
Somebody somewhere  
Somebody somewhere  
Somebody somewhere  
Somebody somewhere
