

# Swan Song

## Dua Lipa

[Verse 1]

I, I can't lie

I'm scared to open my eyes

'Cause what if I find nothing at all

Nothing at all

What is the point of my lips

If they don't make noise, ah

What is the point of doing nothing at all

Watching it fall[Pre-Chorus]

The flicker burning

You know the time's running, running out

Only I see all the diamonds, diamonds

Breaking down

I won't stay quiet, I won't stay quiet

'Cause staying silent's the same as dying

I won't stay quiet, the flicker's burning low

[Chorus]

This is not a, this is not a

Swan, swan song

This is not a, this is not a

Swan, swan song

We just gotta, we just gotta hold on tonight

This is not a, this is not a

Swan song, swan song

Swan dive (Yeah)

It's a new life[Verse 2]

Real fantasy

Wishing it was make believe

What is the reason of doing nothing at all

Watching it fall

[Pre-Chorus]

The flicker burning

You know the time's running, running out

Only I see all the diamonds, diamonds

Breaking down

I won't stay quiet, I won't stay quiet

'Cause staying silent's the same as dying

I won't stay quiet, the flicker's burning low[Chorus]

This is not a, this is not a

Swan, swan song  
This is not a, this is not a  
Swan, swan song  
We just gotta, we just gotta hold on tonight  
This is not a, this is not a

It's a new life  
This is not a, this is not a  
Swan, swan song  
This is not a, this is not a  
Swan, swan song  
We just gotta, we just gotta hold on tonight  
This is not a, this is not a  
Swan song, swan song  
Swan dive (Yeah)  
It's a new life
