Fuck the Cops

White Kaps

Only twenty-five tryin' to stay alive.
Stay away from me and don't give me no jive.
We're havin', havin', havin', fun. Fuck the cops.
Doin' what we want to, go where we please.
Everybody else get down on their knees.
We're havin', havin', havin', fun. Fuck the cops.Cuffs on hands and club on my head.
Will someone please tell me what I just did.
We're havin', havin', havin', fun. Fuck the cops.
Now I'm in jail wearin' county blues,
dick's at my house and their searchin' for clues.
We're havin', havin', havin', fun. Fuck the cops.We've got to, to say fuck you!Fuck you!
Only twenty-five tryin' to stay alive.
Stay away from me and don't give me no jive.
We're havin', havin', havin', fun. Fuck the cops.
Doin' what we want to, go where se please.
Everybody else get down on their knees.
We're havin', havin', havin', fun. Fuck the cops
