Psychedelic Hurricane

Great White

(Jack Russell, Todd Griffin, Tim Henley)I don't ever want to hurt you
That's just the way it is with me
And I don't care how long it takes you
To hold my hand, skip a stone, standin' naked by the sea
Tossin', turnin', spinnin', 'round, this world is full of tinsel town
My pocket full of change is all gonePsychedelic hurricane
Clouds outside my window pane
Spinnin' 'round and 'round, paint the skies above you
Tossin', turnin', someone set me free
Like the sun shinin' on the seaThere's a place I want to take you
Where you can hover over me
Don't worry love, I won't forsake you
So dry those tears from your eyes, my love is all you need
Fallin', crawlin', drags me down
Don't know 'til you've hit the ground
Yesterday was here, but now it's gonePsychedelic hurricane
Clouds outside my window pane
Spinnin' 'round and 'round, paint the skies above you
Tossin', turnin', someone set me free
Like the sun shinin' on the sea
Pour your rain on meLet your love rain down on me
That's all I need to make it through the fire
That's all I need, pour your rain on me
I'm fallin', yes I'm crawlin'
Just like a demon that I can't let go
I feel eclectic, this love's electric
Just like a diamond, as black as coalPsychedelic hurricane
Clouds outside my window pane
Spinnin' 'round and 'round, paint the skies above you
Tossin', turnin', someone set me free
Like the sun shinin' on the sea
Pour your rain on me
