Body Party (Remix)

Jacquees

Yeah, right there
No, right there
I was having fun
I hope you're having fun tooMy body is your party, baby
Nobody's invited but you baby
I can do it slow now, tell me what you want
Baby put your phone down, you should turn it off
Cause tonight it's going down, tell your boys it's going down
We in the zone now, don't stopYou can't keep your hands off me, touch me right there, rock my body
I can't keep my hands off you, your body is my party
I'm doing this little dance for you
You got me so excited
Now it's just me on you
Your body's my party, let's get it startedBoy you should know that your love is always on my mind
I'm not gonna fight it, I want it all the time
Boy you should know that your love is always on my mind
And I can't deny it, I'm on you, I'm on youI can't lie, I won't lie, it's amazing
My faces, the places, you're taking meBaby take your time now, there's no need to rush
We can go another round, if that's what you want
Cause tonight it's going down, yeah you know it's going down
We in the zone now, don't stopYou can't keep your hands off me, touch me right there, rock my body
I can't keep my hands off you, your body is my party
I'm doing this little dance for you
You got me so excited
Now it's just me on you
Your body's my party, let's get it startedBoy you should know that your love is always on my mind
I'm not gonna fight it, I want it all the time
Boy you should know that your love is always on my mind
And I can't deny it, I'm on you, I'm on youThe things I wanna do to you
My body's calling you
I'm having so much fun with you
Now it's just me on you
Your body's my party, let's get it started, oh.
