

# Look At Me Now

## Electric Light Orchestra

Someone is waiting, lurking in the trees  
The spirit of her is walking back to me  
Ah look at me now feeling emotion  
Ah look at me now The king of the castle brought her to her knees  
Gave the salvation army girl a squeeze  
Ah look at me now feeling emotion  
Ah look at me now  
Look at me now Now she's a sallow face  
Scattering her lace -- on dewy ground  
Ah, I keep searching my head  
Now it's spinning around Lifting her head, her countenance redeemed  
Re-acted the murder by the silver stream  
Ah look at me now displaying emotion  
Ah look at me now
