Souldrain

Cemetary

A journey thru the cold breath of time
searching the insanity of mine
mourning as I dwell among no laughter
hoping my existance ends hereafterAstray the bridge I burned
to where sorrows fade
this torment now I earnedEmptiness is character of my destiny
my soul is drained and nowhere is
where I will beShadows... Of starlike blackened fire
taking... This soul to its loathsome trialThru astral layers the voyage goes on
perished among the stars
forever to be gone
to where nothing is and nothing was
...and their whispers greet my lossIn the watery mirror of destiny
I can not see my own reflection
thru the dead halls of infinity
I hear them sing for me
