

# Faithful to the Bottle

Justin Ross

Here I ride, with the Green and White  
To pay my respects to the ones that have lived and died

(Chorus)

Cause its a long way down there  
To lay those roses down on a shallow grave  
And written on that cobble stone it says  
All the Hennessy took them to their graves  
Yeah the Hennessy took them to their graves

1946, it marks th year  
That this bottle was born that we hold so dear  
Three stars shine tonight  
Oh they light up the highway on which we ride  
Brotherhood runs so deep  
That they die for the ones that they call family

Repeat chorus twice

Three stars shine tonight  
And they light up the highway on which we ride
