Don't Let Me Miss Heaven

Bryan Wilson

I've got so many dreams
Sometimes in my sleep, they come and talk to me
But I pray to the lord my soul he will keep and help me to stay humble
I used to pray for fortune and fame
But now I just pray for his mercy and grace
To keep my soul every night and everyday and help me to stay humble

CHORUS:
Don't let me miss heaven shooting for the stars
Help me to keep my feet on the ground while I chase my dreams so far
If I ever meet your presence, I know I've gone too far
Don't let me miss heaven shooting for the stars

I've seen people make it to the top
And wonder from the flock as soon the blessings stop
And that is why I got to watch and pray that I stay humble

CHORUS AGAIN

God has been so good to me
If I never get another blessing, I thank him for chivarly
Cuz I know that he promised if I stay like tree
He will supply all my wants and my needs

CHORUS AGAIN

Don't let me miss heaven shooting for the stars (8 times)
