Snow White

Christina Grimmie

Some day, my prince will come for me
Save me from this harm
That haunts me
When will I be free?
Tell me
Some day he will come for me

God, I feel like I'm locked tight
Tied up like a piece with a bed bite
Yeah I knew you wrong but you felt right
Good thing I didn't leave town tonight
Cause I wanted to apologise
But boy you fed me lies
Now I'm thinking that I rolled the dice
And I was too late to gain your trust
Control your lust, maybe that's dangerous
What does it take to find me the man
who won't go and break my heart?
There's only one, and he's got the key
But we are two worlds apart

Some day, my prince will come for me
Save me from this harm
That haunts me
When will I be free?
Tell me
Some day he will come for me

Shoulda told you to run along
Shoulda backed down when I saw you coming on strong
But time is gone, attempt to rewind
You'll pass and find that it can't be done
But I fell for those eyes
They took me by surprise
Shoulda never ever compromised
But it's too late, you broke in, worn in
And now all I got is my heartbeat
What does it take to find me the man
Who won't go and break my heart?

There's only one, and he's got the key
But we are two worlds apart

Some day, my prince will come for me
Save me from this harm
That haunts me
When will I be free?
Tell me
Some day he will come for me

What does it take to find me the man
Who won't go and break my heart?
There's only one, and he's got the key
But we are two worlds apart

Some day, my prince will come for me
Save me from this harm
That haunts me
When will I be free?
Tell me
Some day he will come for me
