Pull up in your town, when you see me you know everything  
Green and yellow, green and yellow  
Green and yellow, green and yellow  
I put it down, representin' for my team  
I'm in green and yellow, green and yellow  
Green and yellow, green and yellow  
[Verse 1]Money green, yellow broad  
Aaron Rodgers, MVP award  
This is Green Bay, bitch we go hard  
This is Packer Country, where ya green card?  
Terrible Towels, that shit's borin'  
We got the ball, you know we scorin'  
Yeah, and thats how we rockin' heavy metal  
I'm up in this bitch wit' more Bloods than a blood vessel  
Pitt' goin' down, say hello to the devil  
Just beat the Bears, now we got the Steelers on the schedule  
Yeah, no love for 'em boy, breakin' hearts  
We gon' toast these niggas, Pop-Tarts  
[Chorus]Yeah, uh-huh, you know what it is  
I'm a cheesehead, y'all niggas Cheez Whiz  
Pittsburgh Steelers, thats nothin'  
That Super Bowl ring, thats stuntin'  
Pull up in your town, when you see me you know everything  
Green and yellow, green and yellow  
Green and yellow, green and yellow  
I put it down, representin' for my team  
I'm in green and yellow, green and yellow  
Green and yellow, green and yellow  
[Verse 2]Got a call from my homie, this just in  
The Packers in the Super Bowl and they better win  
They call him Big Ben, but he weak though  
We in Dallas, but we Lambeau leap hoe

Long hair, don't care, Clay Matthews  
We shittin' on these fools, no bathroom  
Yeah, got a pocket full of big faces  
Throw it up, touchdown on Ike Taylor  
[Chorus] Yeah, uh-huh, you know what it is  
I'm a cheesehead, y'all niggas Cheez Whiz  
Pittsburgh Steelers, thats nothin'  
That Super Bowl ring, thats stuntin'  
Pull up in your town, when you see me you know everything  
Green and yellow, green and yellow  
Green and yellow, green and yellow  
I put it down, representin' for my team  
I'm in green and yellow, green and yellow  
Green and yellow, green and yellow  
[Verse 3] Uhh, big G's on the helmet  
Steel Curtain? What is that, velvet?  
And if we win, I'ma throw a Super Bowl party  
And blow a cigar like Vince Lombardi  
I'm in Wisconsin, smokin' Amsterdam  
Yeah I'm from New Orleans, but I been a Packers fan  
We knocked the Eagles and the Falcons and the Bears off  
Now we 'bout to cut Troy Polamalu hair off  
[Chorus] Yeah, uh-huh, you know what it is  
I'm a cheesehead, y'all niggas Cheez Whiz (Go Pack go)  
Pittsburgh Steelers, thats nothin'  
That Super Bowl ring, thats stuntin'  
Pull up in your town, when you see me you know everything  
Green and yellow, green and yellow  
Green and yellow, green and yellow  
I put it down, representin' for my team  
I'm in green and yellow, green and yellow  
Green and yellow, green and yellow  
[Outro] Uh, go Pack go  
Uh, go Pack go  
Uh, we yellin' go Pack go  
Yeah, like I said, this ain't a diss song  
I just love my team, that's the team with them big G's on the helmet
