Why Can't You

Yeng Constantino

I see you at the corner
Then I stared at your face
I wonder who you're lookin at
I wish that was meBut I know that its her
So I guess I have to turn my back this way
But I know that when I close my eyes
Its you that I'll see(no matter how hard I try) to forget you
(no matter how hard I try) but its still you
(no matter how hard I try) I can't fake it
I can't fake it cause I can't[CHORUS]
Why can't you see, that there is me
Whose waiting for you, all this time
Why can't it be, just you and me
I've been waiting for you, all this time
I waited true to you
If you'll only let meI just walked right through there
I saw you talking on the phone
And I heard you saying all the words
That I've been longing forHow I wish that I'm the girl
On the other line
How could it be, how could it be
I know you can't be mine(no matter how hard I try) to forget you
(no matter how hard I try) but its still you, oh
(no matter how hard I try) I can't fake it
I can't fake it cause I can't[CHORUS]I waited true to you
If you'll only let me
How can you see me when you're blinded by that girl (by that girl)
I'll be just a shadow following you right on the wall (on the wall)
I don't wanna wake up crazy one day cause your driving me insane
For what can I do your the only one who make me feel this way[CHORUS]Why can't you see me (why can't you, why can't you)
Why can't you see me, oh (why can't you, why can't you) [2X]
Why can't you
