Use Somebody

Scala & Kolacny Brothers

I've been roaming around, always looking down and all I see
Painted faces fill the places I can't reachYou know that I could use somebody
You know that I could use somebodySomeone like you and all you know and how you speak
Countless lovers undercover on the streetYou know that I could use somebody
You know that I could use somebody
Someone like youOff in the night while you live it up, I'm off to sleep
Waging wars to shake the poet and the beatI hope it's gonna make you notice
I hope it's gonna make you noticeSomeone like me
Someone like me
Someone like me, somebodyGo and let it outSomeone like you, somebody
Someone like you, somebody
Someone like you, somebodyI've been roaming around
Always looking down and all I see
