

Can't Breathe

[Leona Lewis](#)

What am I fighting? Afraid of losing
It's like I'm not in control I'm watching myself fall down
Thinking you won't be around
You know you got my heart unlocked
And even if I want to run, I can't go I don't wanna go, I don't wanna go, I don't wanna go
I can't breathe, without you I get weak And I can't breathe, and I can't breathe
And I can't breathe without you near me
And I can't breathe and I can't live, without you I can't And I can't breathe, and I can't breathe
And I can't breathe without you near me
And I can't live and I can't live, without you I can't Maybe I make believe you're not different
But you got me in love, don't want to be alone again, oh no I cannot function without you here
My indecisions and all my fears
Get higher, higher day by day
Higher, higher but I can't go I don't wanna go, got to let it go, I don't wanna go
I get weak, without you I can't breathe, oh And I can't breathe, and I can't breathe
And I can't breathe without you near me
And I can't live and I can't live, without you I can't And I can't breathe, and I can't breathe
And I can't breathe without you near me
And I can't breathe and I can't live, without you I can't Oh, it's just not fair that, oh, I'm lost in your warmth
And I just can't breathe, just can't breathe I'm coming up, coming up for breath
Coming up, coming up for breath
Coming up, coming up for breath
Coming up, coming up for breath And I can't breathe, and I can't breathe
And I can't breathe without you near me
And I can't breathe and I can't live, without you I can't And I can't breathe, and I can't breathe
And I can't breathe without you near me
And I can't breathe and I can't live, without you I can't
