The Nod

Fat Freddy's Drop

It's in the kitchen, the, the party really in the.
It's in the kitchen, the, the party really in the.
It's in the kitchen, the, the party really in the.
It's in the kitchen, you know the party really in the.It's in the kitchen, the, the party really in the.
It's in the kitchen, the, the party really in the.
It's in the kitchen, the, the party really in the.
It's in the kitchen, you know the party really in the.It's in the kitchen, yeah.
Cookin' in the kitchen, yeah.
Cookin' in the kitchen, yeah, yeah.There's somethin' cookin' in the kitchen tonight.
A-somethin' cookin' in the kitchen tonight.
A-somethin' cookin' in the kitchen tonight,
tonight, tonight.
A-somethin' cookin' in the kitchen tonight.
A-somethin' cookin' in the kitchen tonight.
A-somethin' cookin' in the kitchen tonight,
tonight, tonight.Somethin' cookin' in the kitchen,
Flames are gettin' hotter.
Do you wanna come and see,
All the people in the kitchen with me?Such a, popular place to be,
In the kitchen, in the kitchen.
Never know who you meet,
In the kitchen, in the kitchen.
Everyone wants to be,
In the kitchen, in the kitchen.
'long with the Fat Freddies,
In the kitchen, in the kitchen, whoa.
Come (?), don't be blazed, displace,
He's cookin' in the kitchen and we're eatin' for days.
The boys come fishin' just from off of the bay,
Doin' it for the love because the music pays,
So, pass the bottle and bring out the craze,
We got it cookin' in so many ways, yes,
When we're at home or when you're away,
Still rockin' rocks when my hair turns grey.
So maybe moments ago, right after the show,
Back to the pad you go, so just to follow your nose,
And tell the girls and their bros, with those in the know,
The only place to go, is to stick by the kitchen sink,
On the third floor, that's where you get it,

Everybody's in the house, now don't sweat it,
You know where everybody is, the place to be,
Cookin' red-hot with the Fat Freddies, come on now.Yeah,
Yeah.It's in the kitchen, the, the party really in the.
It's in the kitchen, the, the party really in the.
It's in the kitchen, the, the party really in the.
It's in the kitchen, you know the party really in the.It's in the kitchen, the, the party really in the.
It's in the kitchen, the, the party really in the.
It's in the kitchen, the, the party really in the.
It's in the kitchen, you know the party really in the.[It's an odd job!]A-somethin' cookin' in the kitchen,
We cookin' in the kitchen.
Somethin' cookin' in the kitchen,
Show us around, fuck around, yeah.A-somethin' cookin' in the kitchen,
In the kitchen,
In the kitchen,
In the kitchen.A-somethin' cookin' in the kitchen tonight.
A-somethin' cookin' in the kitchen tonight.
A-somethin' cookin' in the kitchen tonight,
Tonight, tonight, yeah.
