

# Moon Girl

## Anita Carter

Hey, I'm tryna hit you right out the space  
I came here to party cause I light up the floor  
And gravity is all over the place  
I'm a moon girl and I'm out of control (2x)

It's getting hotter  
Sing with me louder  
It's getting hotter  
You're ready or not?  
I'm on a fire, fire  
Sing with me louder

I'm gonna leave my light all over the world

Tell me that you know me (that you know me)  
I feel like I love you (like I love you)  
Come into my life, come into my life (2x)  
Supersonic, uh uh (4x)

Oooh ooh.. I'm on the danceflo-o-o-or ... (2x)  
It's getting hotter  
Sing with me louder  
It's getting hotter  
You`re ready or not?

I
