Nasty Girl

The Notorious B.I.G.

I go, on and on and on and
Don't take them to the crib unless they bon'in
Easy, call em on the phone and
Platinum Chanel cologne and
I stay, dressed, to impress
Spark these bitches interest
Sex is all I expect
If they watch TV in the Lex, they know
They know, quarter past fo'
Left the club tipsy, say no mo'
Except how I'm gettin home, tomorrow
Caesar drop you off when he see his P.O.(hey)
Back of my mind, I hope she swallow
Man she spilt a drink on my cream wallows
Reach the gate, hungry just ate
Riffin, she got to be to work by eight
This must mean she ain't tryin to wait
Conversate, sex on the first date I state "You know what you do to me"
She starts off, "Well I don't usually"
Then I, whip it out, rubber no doubt
Step out, show me what you all about
Fingers in your mouth, open up your blouse
Pull your G-string down South, aoowww
Threw that back out, in the parking lot
By a Cherokee and a green drop-top
And I don't stop, until I squirt
Jeans skirt butt-naked it all workGotta love ma little nasty girl
