Unbreakable

Bon Jovi

You said you made me and you break me
You said it ain't hard to shake me
You threw me ever since you've taken me down
You came like a rainy gray Monday
I prayed like it was a Sunday, you say, you say
But I won't run away, I'll be standing my ground
Seen all the screaming and fighting
Lived through the screaming and lying
I'm fine, you can't deny, I'm unbreakable
Unstoppable, I'm invincible, come on bring it to me
'Cuz I'm always gonna be unbreakable
Reliable, undeniable, come on give it to me
'Cuz I'm always gonna be unbreakable
Don't need the diamond cards or cold cash
Don't need to sell my soul so don't ask
Took a pass on the pass I'd be leaving right now
Newsflash, I'm causing a commotion
Jump back, I'm poetry in motion, think fast, talk trash
Well I ain't talking back but I'm calling you out
No time for fussing and fighting
Lived through the screaming and the lying
I'm fine, you can't deny, I'm unbreakable
Unstoppable, I'm invincible, come on bring it to me
'Cuz I'm always gonna be unbreakable
Reliable, undeniable, come on give it to me
'Cuz I'm always gonna be unbreakable
I'm always gonna be unbreakable
Newsflash, I'm causing a commotion
Jump back, I'm poetry in motion
I'm fine, you can't deny, I'm unbreakable
Unstoppable, I'm invincible, come on bring it to me
'Cuz I'm always gonna be unbreakable
Reliable, undeniable, come on give it to me
'Cuz I'm always gonna be unbreakable
Unstoppable, I'm invincible, come on bring it to me
'Cuz I'm always gonna be unbreakable
Reliable, undeniable, come on give it to me
'Cuz I'm always gonna be unbreakable
I will be unbreakable, unbreakable

I will be unbreakable
