People Corrupting People

Have you ever told yourself youâ€™re in control? (I do! I do!)
I own you
You canâ€™t devour nor save my soul
So can someone tell me why I still canâ€™t say no?
I yearn for your embrace like a long-lost friend
Donâ€™t let me go.

Stuck in your grasp I know my will is strong
This love affair that we both share
It canâ€™t be wrong.
So is it any wonder I see you I still get weak?
A constant fight for me but at least you canâ€™t feel anything
I tell myself Iâ€™m in control.

And it cuts so deep (so deep, so deep)
Iâ€™m still losing sleep (lose sleep, lose sleep)
As I go numb, canâ€™t feel a thing
A sea beneath my feet
My oasis of serenity.

Iâ€™ve nailed this audition, so letâ€™s start the show
It always must go on, time to powder my nose.
Do you feel like a star in the lights and know it is a lie? (I do! I do!)
The rusted stains across your face say itâ€™s time to die.
My heart is cold, Iâ€™ll steal your soul!

And it cuts so deep (so deep, so deep)
Iâ€™m still losing sleep (lose sleep, lose sleep)
As I go numb, canâ€™t feel a thing
A sea beneath my feet
My oasis of serenity.
And it cuts so deep (so deep, so deep)
Iâ€™m still losing sleep (lose sleep, lose sleep)
As I go numb, canâ€™t feel a thing
A sea beneath my feet
My oasis of serenity is killing me.
