One More Night (last Farewell)

Uriah Heep

One more night ...
City lights are
Burning in the distance
Seems they're tellin' me
To hurry home
But I can't push these
Wheels of mine no harder
So hold on baby for
One more night alone
There's time for me to take just
One look over my shoulder
One last glance at

What's been going on
'cause I'll be there at
First light in the morning
We'll pick up the pieces
And baby, then we'll be long gone
Pick up the pieces and run with me
As fast as you can
You know you always said
I was the man
Pick up the pieces, let's do it now
Let's say our last farewell
Tomorrow may be too late
As far as I can tell
