

# Perfect White Girls

Patty Griffin

Heaped from a snowy white mountain  
Slipped down a snowy white hill  
Came from a water fountain  
Water was sweet until Sunshine on a shiny ocean  
Sunshine on a shiny bay  
I opened a tiny shutter and  
Sunshine blowing me away And I don't know a thing  
Don't know a thing  
Don't know a thing  
Don't know a thing  
Don't know a thing  
Don't know a thing  
Don't know a thing about perfect white girls that wear gold and I'm very busy  
I'm very very busy baby  
I'm very very busy becoming invisible  
Why would you want  
Why would you want to disappear  
School is a women  
Ask any woman that's sitting here And I don't a thing  
Don't know a thing  
Don't know a thing  
Don't know a thing  
Don't know a thing  
Don't know a thing  
Don't know a thing about perfect white girls that wear gold and If you kiss their asses long enough  
They might let you kiss their asses  
If you kiss their asses long enough  
They might let you kiss their asses So here I come in a river my hips  
Here I come with my big red lips  
Hidden now a new found friend  
Cause I'm never going back again And I don't a thing  
Don't know a thing  
Don't know a thing  
Don't know a thing  
Don't know a thing  
Know a thing
